MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Executive Assistant/Executive Director
SUBJECT: PFIAB Request for DDI Briefing on Political Analysis

Fred Demech asks that you meet with the Analytical and Political Task Force at 1400 hours on 10 May at the PFIAB offices to brief its Members on how the Agency analyzes Soviet political issues. This task force is the political counterpart of the Economic Task Force which recommended the independent study of the Soviet economy by the Department of Commerce. You may want to discuss this request with Demech, for he says the task force is also interested in how the Directorate of Intelligence is organized and staffed to perform this function. Weiss is the task force Chairman; Messrs. Campbell, Seabury, Rostow, and Mrs. Luce are Members. [redacted] The meeting is scheduled for 1400 hours and the task force has scheduled no other appointments for the remainder of the afternoon. FYI: The full Board begins its bimonthly meetings the next day.
